

Creative designs and uses

The facade is a key stylistic feature of a building's architecture and the latest design trends for facades include exposed concrete and Corten steel. KABE Farben has succeeded in producing special powder coatings that imitate the look and feel of these materials.

Projectinfo:

Project: Culinarium, Arlesheim
Planner: Fox Wälle Architekten Arlesheim

Articles:

1. Layer

Articlenr.: 14069 / 122
Articlename: PAC-140-SD
Colour: 4M7917 Schwarz E6/C35
(ca. RAL 9005)
Oberfläche: smooth
Gloss: matt

2. Layer

Articlenr.: 14276 / 2
Articlename.: PAC-135
Colour: 4M8153 Corten
Oberfläche: smooth
Glanz: matt
